

Our Mission...

The mission of the Michigan Paralyzed Veterans of America (MPVA) is to enhance the quality of lives of veterans with spinal cord injury or disease, as well as all citizens with disabilities, by: advocating for civil rights, assuring quality health care, supporting continued recreation, research, education and healthy living.

Thank You for
Supporting Our Mission!

Who We Are...

The Michigan Paralyzed Veterans of America (MPVA) is a Chapter of the Washington, D.C.-based Paralyzed Veterans of America (PVA). The MPVA has been assisting veterans with spinal-cord injuries or disease, including Multiple Sclerosis and ALS (Amyotrophic Lateral Sclerosis, better known as Lou Gehrig's Disease) in Michigan since 1961.

MPVA services include:

- Veterans Benefits
- Wheelchair Sports & Recreation
- Spinal-Cord Injury Research
- Equipment Donation
- Advocacy to eliminate architectural barriers and protect civil rights for persons with disabilities
- Referral Services for assistive devices, housing, employment, and transportation
- Literature on a variety of topics, including self-care, independent living and disability rights

MPVA in the Community

The MPVA has become a major voice in the veterans community as it helps to meet the needs of millions of Americans with disabilities (veterans & non-veterans). We are committed to assisting all individuals with disabilities through the following avenues: research, education, sports, advocacy, legislation, and veterans benefits.

Above: The MPVA was able to work with Comerica Park to ensure that the wheelchair accessible seating was equipped with cup

Above: The 2008 Michigan football season introduced renovated wheelchair accessible seating to Michigan football fans due to a landmark agreement between MPVA, Department of Justice (DOJ), and U of M.

Research & Education

The MPVA supports the development and treatment of those with spinal cord injuries and dysfunction. Ultimately, the MPVA's Research and Education program is dedicated to supporting a cure for spinal cord injury or disease (SCI/D) and enhance the quality of life for those with SCI/D until a cure is found. Additionally, our community outreach program educates students on spinal-cord injuries and helps to fund several scholarships for Michigan students who are working to obtain degrees in nursing, occupational therapy, and physical therapy. Nationally, PVA is one of the top supporters of spinal cord research—giving more than \$3 million in the last 10 years to such projects.

Government Relations

The MPVA works to ensure that paralyzed veterans are included in policy debates at the local, state, and national level so that all citizens with disabilities receive the benefits and rights they deserve.

Some of our key programs in Government Relations & Advocacy include: barrier-free design, ensuring accessibility and advocating for civil rights. MPVA works closely with elected officials on a variety of veterans and disability issues.

Sports & Recreation

Above: The Michigan Wheelchair Game athletes compete to the finish line!

Above: Angeline LeVasseur & Scot Severn, MPVA Sports Director, participate in the Mackinac Bridge Run

MPVA has always recognized wheelchair sports as a powerful tool for rehabilitation and social interaction for our members and others with disabilities. We offer both indoor and outdoor activities throughout Michigan and participants vary in age, ability, and experience.

The MPVA even sponsors large-scale events like the Detroit Free Press Marathon Wheelchair Division, the Michigan Wheelchair Games, the National Veterans Wheelchair Games, and Wheelin' Team 457!

Some of MPVA sports include:

- Wheelchair Basketball
- Power Soccer
- Sled Hockey
- Hand-cycling
- Hunting
- Fishing
